APPLICATION FOR FIRE EXTINGUISHERS

To fit in with the Health and Safety legislation we now require all stands to have a fire extinguisher on their stand.

To keep this simple we have organised a company to hire them to you on the day for a nominal fee of £7.

The type of extinguisher that should be installed depends on what you are selling, but a rough guide would be:

- | | | |
|------------------------|---|--|
| Food, natural products | - | Water and CO ₂ units in pairs |
| Electrical products | - | CO ₂ unit |
| Cooking | - | Fire Blanket or Dry Powder |

Please complete this order form and return it to the address below, together with your completed application for exhibition space.

DO NOT SEND PAYMENT WITH THIS ORDER FORM. Driffield Agricultural Society will issue you with an invoice
