## Driffield Show

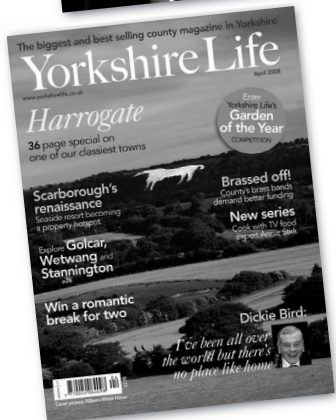

**Yorkshire Life Magazine is delighted to provide sponsorship for this year's Driffield Show.**

We welcome the opportunity of working closely with the Driffield Agricultural Society in the years to come.

We are all totally committed to supporting the rural community.

The Driffield Show plays an important role in bringing everyone in the county together, just like our magazine.

Yorkshire Life magazine is required reading for anyone who appreciates the finer aspects of life in the county and at £2.75 is tremendous value for money.
